ASSIGNMENT
• Spend class shooting photos on campus.
• Shoot a lot of photos — at least 75? 1 per minute.
• Include human subjects in at least half of your shots.
• Get candid shots — don’t have human subjects pose.
• Keep your backgrounds clean.

SCAVENGER HUNT CRITERIA
❑ Use the rule of thirds.
❑ Find an interesting angle.
❑ Fill the frame with your subject.
❑ Get really, really close. No, closer.
❑ Experiment with leading lines.
❑ Try framing.
❑ Look for good/interesting light.
❑ Include a shadow in a shot.
❑ Create an image that says “contrast.”
❑ Show action.

WHAT TO POST
1. Choose your **BEST SIX** photos — must represent SIX of the items above. At least THREE of them should include human subjects.
2. You can size, crop and tone them in Photoshop, but no filters, text or other graphic treatments.
3. You may choose color or B&W.
4. Post your **SIX photos** in one post on the website. Label which of the scavenger hunt categories they represent.
